## YEAR-ROUND FERRY SERVICE IS ADVOCATED

The Sidney Businessmen's Association at its regular monthly dinner meeting held at Roberts' Bay Inn on Wednesday evening, went on record as advocating an all-year round ferry service from Sidney to Stevenson and the matter is to be taken up with the C.P.R. A great deal of benefit is believed possible by the establishing of an all-year round service between the Canadian mainland and Sidney. For two years now the Puget Sound Navigation Company has been operating an all-year round service between Sidney and Anacortes and it is felt that a similar service between here and the Canadian mainland would result in a continual stream of traffic the entire year. With the big program of road improvements for Vancouver Island and thousands of motorists becoming interested in the big island it would seem that provision should be made for a short route from the Canadian mainland to the capital — and this means Stevenson to Sidney — or possibly White Rock to Sidney as has been advocated before.

The question of an oilless fish reduction plant was further discussed and the meeting informed that through the Provincial Government information was being sought in the Old Country by the Canadian commission in London regarding the operation of this type of plant. A communication has been received by the industrial committee from a Mr. Butterfield, Vancouver, inventor of the new solvent process of reduction after being informed by the Provincial Government of Sidney's interest in the process. Mr. Butterfield called by long-distance phone later and expressed a desire to meet the industrial committee when he comes to Victoria shortly. The committee is gathering as much information as possible in this connection with a view of encouraging the establishing of a fish packing plant with its by-products — if same is deemed advisable.

The secretary was instructed to write Miss Maude M. Clarke, expressing appreciation of her contribution of \$25.00 to the fire equipment fund. A letter of thanks to Arrowsmith & Son for caring for and planting the thousands or more bulbs on the boulevards was also ordered sent. G. A. Cochran was thanked for assisting financially in connection with the work of planting the bulbs.

Many expressions of appreciation of the fine growth of grass on the boulevards have come to the ears of the town planning committee and it is felt that the effort to improve the looks of the town in this connection has been amply repaid.

The fire protection committee reported on the matter of acquiring a Packard chassis that had been suggested by a member at a previous meeting, recommending no action be taken at present in the matter.

The port committee reviewed numerous efforts to obtain a light at Beacon Avenue Wharf and reported that indications pointed to success in this matter, figures now having been obtained as to the cost of installation, etc. Temporary repairs were reported made to the landing float at this point and construction work on the wharf (Please turn to Page Four)

## SCOUTS PLAN GARDEN PARTY

Arrangements are going ahead for the garden party to be held by the Boy Scouts on Monday, July 27th, at Roberts' Bay Inn, the home of Mr. and Mrs. J. F. Smither, which has been very kindly loaned for the occasion.

A program of much interest is being lined up and will include dance numbers from the Victoria Rangers and a dance to be put on by the local Wolf Cubs.

All the usual garden party attractions will also be on display for visitors and an invitation is extended to all to be present.

## BOXING BOUTS AT FULFORD

By Review Representative

FULFORD, July 15.—Fulford's first open air boxing show proved popular with fans who witnessed the bouts promoted by Bob Akerman.

Albie and Jumbo Davies of Victoria showed a surprising assortment of punishing blows in a five-round exhibition bout.

The preliminary bouts, evenly matched, gave evidence of fine local talent. The results followed: C. Reynolds vs. S. Harris ended in a draw.

E. Brenton won a decision from W. Cudmore.

R. Daykin won from W. Wilson. George Catten won by a knock-out from Buck Smith.

It was a great show and the many enthusiastic fans, loud in their praise of the card, left the enclosure well satisfied.

## GRADUATION JULY 19 AND 20 AT REST HAVEN

Friends of the district are reminded of the graduation exercises at Rest Haven, which will take place on Sunday and Monday evenings, July 19th and 20th, and to which all interested are invited.

As announced last week the exercises will include baccalaureate on Sunday at 8 p.m. and commencement on Monday at the same hour. Diplomas will be presented to the members of the class on Monday by Dr. H. G. Burden.

## FLANNEL DANCE ON FRIDAY

Final arrangements have been completed to assure the success of the annual flannel dance to be held in the Deep Cove Social Hall on Friday next, July 17th, under the auspices of the Allies' Chapter, I.O.D.E. Punch, novelties and elaborate decorations, based on the melody "If You Were A Little White Gardenia," will be combined with excellent music supplied by Len Acres' orchestra to make this affair another of the popular I.O.D.E. dances. The committee in charge includes Mrs. O. J. Rochfort, Miss Clare Belson, and Miss Mavis Goddard. To ascertain the price of tickets, which includes supper, please turn to the Coming Events column.

## PENDER SCHOOL MEETING

PENDER ISLAND, July 15.—

A very small attendance in contrast to recent years was that which took part in the annual school meeting held on Saturday evening, J. S. Stiggins was elected chairman, and the secretary of the board of trustees, F. C. Smith presented the various reports. Since the establishment of a Superior school last year there has been a marked improvement in the general atmosphere of the school life and the principal, W. Ernest Sones, was highly commended. Financial reports, also, were very satisfactory, showing a record balance on hand. Discussion of the estimates for the ensuing year resulted in a decision to increase the salary of Miss F. E. M. Hand by fifty dollars and also to retire two of the bonds in connection with the loan. A. H. Menzies was re-elected auditor, and Mrs. H. G. Scott, Hope Bay, was appointed to succeed H. H. Kirk on the board of school trustees. Before adjourning a hearty vote of thanks was extended to the secretary, Mr. Smith, for his faithful services.

The district of North Saanich has approximately 30 miles of coast line.

Her puffed bouquet was of butterfly roses and lily of the valley.

Miss Elizabeth Simpson, sister of the groom, as bridesmaid, wore a peach satin dress with full cut on classic lines and with full puffed sleeves. She carried a bouquet of Enchantment carnations.

They both wore corsage bouquets of Titian roses.

A handsome three-tier wedding cake surmounted with Titian roses in silver vases adorned the centre of the bride's table, while the reception rooms were artistically decorated with roses and carnations.

Later the young couple left on a honeymoon trip through northern Alberta, the bride travelling in a sky-blue rajah silk sports dress trimmed with navy blue, a navy blue hat with accessories to match and a white finger-tip length sharkskin coat. They will make their home in Calgary.

## BOY SCOUT CAMP NOTES

Here are a few notes from the Boy Scout Camp at Deep Cove, and which will no doubt be of interest to many of our readers. The camp broke up on Monday amid many regrets. Practically the entire group of campers was taken on a cruise to Friday Harbor and Orcas Island on Thursday by Capt. Beaumont of Cadboro Bay and needless to say the outing was enjoyed to the fullest.

Major Macdonald treated the boys to a strawberry tea one afternoon and on two other days hot dinners were provided by Mrs. George McLean and Captain L. S. Daynes.

Sunday morning church service was conducted by Rev. Lancaster with all in attendance.

The boys have certainly been well provided for during their camping days and the committee is very grateful for all donations received.

## REPORT OF INSTITUTE MEETING

By Review Representative

GANGES, July 15.—Owing to the unsettled weather the combined picnic and monthly meeting of the Ganges Women's Institute, which had been arranged by kind invitation of the president, Mrs. N. W. Wilson, to take place at her summer cottage at Wellbury Bay, had to be cancelled. The meeting was held at "Barnsbury," the home of Mrs. N. W. Wilson, 19 members being present.

The treasurer reported that the sum of \$48.00 had been cleared from the luncheons and teas served at the recent Salt Spring Island Sheep Breeders' exhibition, under the management of the Ganges Women's Institute. From this amount the members voted the sum of \$24.00 to the Islands Agricultural and Fruit Growers' Association.

Arrangements were made regarding the judging of the children's competitive gardens for which there are about 50 entries. J. A. Nunn of Sidney will act as judge it was stated, and would accompany Mrs. Wilson on an inspection of the gardens and decide the winners.

The money allotted for the prizes will be in charge of the garden committee, Mrs. Wilson, Mrs. Hague, Mr. Mrs. A. B. Elliot and Mrs. W. T. Burkitt.

The subject of establishing a dental clinic was again brought up for discussion. A tour of the Salt Spring schools had been previously made and reported on. Inquiries into the matter showed the big expenditure involved in the undertaking and the subject was left over to be dealt with again at the next meeting, which will be held on the last Friday in August.

In the absence of Mrs. Charlesworth, Mrs. Elliot was appointed in charge of the renting of the newly acquired stage draperies. Mrs. N. W. Wilson was tea hostess, assisted by her daughter, Miss Shirley Wilson.

North Saanich is an ideal place in which to make a home. Good roads, good water, low taxes! And the surrounding beauty of mountains, islands, trees, flowers, etc., is magnificent.

## POPULAR COUPLE MARRIED

By Review Representative

GANGES, Salt Spring, July 15.—A very smart and pretty wedding was solemnized on Wednesday afternoon last week in Wilkinson Road United Church when Rev. Thomas Keyworth united in marriage Anne Ogilvie, only daughter of Rev. William Allan and Mrs. Allan of the Manse, Glyn Road, and Mr. Colin Francis Moutat, third son of Mr. and Mrs. Gilbert J. Moutat of Ganges. The ceremony was performed in the presence of a large congregation.

The bride, who was given away by her father, looked lovely in a form-fitting gown of oyster silk net over white bridal satin, which tapered at the back to a short train. The full skirt had gaudettes of frilled net caught at the knee-line with rosettes of satin and seed pearls, and the bodice, which had a cowl neck, was caught at the shoulder with pearl clasps, and long full sleeves terminating at the hand with pointed cuffs fastened with pearl buttons. A wide satin sash hung in graceful folds at the back and white lace gloves and white slippers completed her costume. Her veil of embroidered silk net was arranged beneath a Juliet cap, and was caught with sprays of orange blossoms and she carried a shower bouquet of pale pink butterfly roses, lilies of the valley and fern.

Miss Muriel Hoy, as maid of honor, and Miss Jean Moutat, sister of the groom, as bridesmaid, the elder attendants, were gowned alike in frocks of ruffled net over taffeta, fashioned on long lines with vertical frills on the skirt, and also on the capes, which were tied with bows of net, the belts fastened with diamante clasps. With these were worn becoming close-fitting French floral turbans, fashioned of shirred taffeta and velvet flowers with short veils, and finished at the back with bows of net to match their gowns. The maid of honor wore pale pink and the bridesmaid was in pale blue, and both carried arm bouquets of African daisies, pale pink carnations and blue lace flowers, tied with pale pink and blue tulle.

The flower girls, Peggy Moutat, sister of the groom, and Yvonne Moutat, niece of the groom, were dressed alike in Kate Greenaway frocks of primrose net over taffeta, with satin sashes caught with rosettes and circlets of net and tiny rosebuds in the hair. They carried Colonial bouquets of pastel-shaded flowers.

Mr. Malcolm Moutat, brother of the groom, was best man, and Mr. William Allan, brother of the bride, was groomsmen. Under the direction of Mrs. V. Rush, girl friends of the bride had decorated the church with a profusion of Summer flowers, tall white Madonna lilies, pink roses and ivy being used on the double arch, at either side of which were baskets of Madonna lilies and Shasta daisies, the guest pews being marked with bows of white tulle.

The wedding marches were played by Mr. D. Phillips, and during the signing of the register, Miss Margaret Pringle accompanied Miss Elsie Fryatt, who sang "All Joy Be Thine." Messrs. Ivan (Please turn to Page Four)

## CHURCH GOING

(From The Daily Province, Vancouver, B.C.)

Our grandfathers remember the days, perhaps, when church attendance was almost compulsory. Not only in army and navy regulations, but in country villages where the lord of the manor kept up, in appearance, the attitude of the feudal baron, whose word was law.

Or it may have been in a country where the priest was governor of the parish temporal as well as spiritual, or in a glen where the black-coated elders were the sternest of police.

Everywhere, before the wheels of industry ran over traditions, the peace of the Sabbath was disturbed only by the church service. Perhaps it was the machine, which can run for profit and convenience seven days a week, that first broke the rule. Then came "enlightenment" and free thinking in wider education, until a generation has been reached that obeys very few rules and traditions beyond its own pleasure, and finds little pleasure in church services.

Why should one go to church, leaving the shady cathedral groves, the wide waters, wild cliffs, calm open spaces unhabited and the fine books unread?

Primarily because of the responsibility to his fellows in example and mutual help. For these reasons he joins a lodge, a club, or some service association. He knows that certain causes have to be maintained, and as a citizen he must support them! The church is the greatest "lodge" there is, both in numbers and importance. It is the one that stands up definitely for righteousness. Whatever the creed, dogma or manner of service, the church is an association of people having the one ideal, of goodwill, good fellowship, good living, so far as they can see and interpret that ideal. In all decency it must not be let down.

It is only necessary to consider a condition of no churches at all to realize how essential to civilized, moralized, spiritualized living they are. Then, among lesser reasons, there is the moral support of a good man doing his best all the week for the community he lives in, and giving of the best he knows on Sunday. There is the hearing of Scripture, still the best literature and the best teaching extant. There is a mutual confession of faith among his fellows. There is a unity in worship with sons of the same Father.

The churches offer an opportunity for each one to work out his ideals, to express the best that is in him; no other institutions can take or give so much.

## BALL GAMES

Playing the first game of the play-offs in the B section of the Victoria District Softball League on Monday in Victoria the Sidney nine came through with a fine win (6-4) in a tight game with the Tigers. This gave Sidney the right to play the Bruins to decide the champions of this section and this battle, the best two out of three, will start next week. Ray Byers on the mound for the locals pitched a fine game.

The local girls' softball team paid a very enjoyable visit to James Island on Saturday evening. The first part of the evening was taken up with a game of softball, which was won by the North Saanich players, 28-18, and later they were entertained in the Moore Club Hall, a jolly social time being enjoyed.

The local girls' team, under Manager Calvert, made a fine showing last week in the first league game played, only losing by one run to the strong Cardinal team, the score being 28-27. Another league game will be played tonight at North Saanich when they will meet the Saanich team.

### "DIAMOND" BALL

In the "Diamond" Softball play the last league game is on Thursday evening next, July 16th, when James Island meets Sidney at Sidney. Saanich, having failed to field a team for the various games scheduled has been dropped from the league. North Saanich will top the league by one game regardless of whether Sidney or James Island wins Thursday night. The championship will be decided by the best out of three games — home and home — and toss up for the third game, if necessary.

Do A Good Turn Every Day!  
The Scout camp closed on Monday afternoon and in spite of the weather we had a fine time of it. All the boys were happy and cheerful, there was no complaints at all. On Wednesday afternoon we all went to Major and Mrs. Macdonald's farm, "Duntulm," and had tea and ice cream, also a very interesting game of "Bumble Puppy." There was also calf racing for the boys. We spent a very happy afternoon.

On Thursday Captain Beaumont of Discovery Island came around in his large launch and took us all over to Friday Harbor, also to Orcas Island, where we were shown over an old sailing vessel laying there. We all arrived back in camp at 7:30 tired but happy.

Sunday we held a Scouts own sermon, Rev. T. Lancaster taking the service.

Our camp fires in the evening have been well attended by visitors.

The Royal Oak and 3rd Victoria Boys, who were in camp with us, showed that they were real Scouts and did their share of the hard work and were cheerful in spite of the rain.

The Saanich Peninsula and Gulf Islands enjoy the best climate in all Canada.

## YEAR-ROUND FERRY SERVICE IS ADVOCATED

(Continued from Page One.)

and large new float was about to start.

Everett Goddard of the entertainment committee reported that plans were almost complete for Monday, August 10th, at Roberts' Bay Wharf, some 23 events being on the program. Several members offered prizes forthwith to assist in making it interesting for the competitors, although the big idea is to enter more for fun than the possibility of winning a prize. If you wish to give a prize it will be gratefully accepted by Mr. Goddard. Indications point to a huge crowd at Roberts Bay Wharf on the afternoon of August 10th. No entry charge — no charge to spectators — just a big afternoon of fun on the water! Come and bring your friends!

A number of small bills were ordered paid and considerable correspondence was attended to.

It was decided to call a recess in the regular meetings until the first Wednesday in September, the various committees to handle any business arising in the meantime.

A review of finances showed that a credit balance obtained in the three bank accounts, general, street lighting, and fire protection, although the latter was at a low ebb. In connection with the fire protection account it was explained that a vast amount of time was required to keep track of all the homes in the district, in a systematic way of collecting the annual promised contributions and this matter is to receive further consideration.

## POPULAR COUPLE MARRIED

(Continued from Page One.)

Mouat, Jack Allan and Vernon Drake acted as ushers.

Following the ceremony a large-attended reception was held at the home of the bride's parents, where the bride and groom, standing beneath an arch of magnificent roses, which were sent for the occasion by Mr. Richard Layritz, received the good wishes of their friends. Mrs. Allan, wearing an ankle-length Bleu de France georgette dress with a lace coat, a grey straw hat and grey accessories, received the guests, assisted by Mrs. Mouat in a long grey spider web lace gown, grey straw hat and grey and white accessories. Corsage bouquets of Ophelia roses and lily of the valley completed their costumes.

The refreshment table, which was spread with a lace and linen banquet cloth, was centered by a three-tier wedding cake, set in folds of pink tulle and flanked with tall tapered silver scones, and crystal vases filled with rosebuds. Assisting in serving the buffet supper were the Misses Helen Keyworth, Eva Phillips, Muriel Rudd, Jean Kempton, Elsie Fryatt, Peggy Smith and Helen Ritz. Rev. T. Keyworth proposed the toast to the bride and groom, and during the afternoon Mrs. L. G. Mouat sang "Until" and Mrs. V. Rush sang "Love's Echo," accompanied at the piano by Miss Margaret Pringle.

Mr. and Mrs. Mouat left at midnight for Vancouver, from where they will motor to California where the honeymoon will be spent, and on their return will make their home at Ganges, Salt Spring Island. For travelling, the bride chose a sand-colored tailored tweed suit with a silk boucle blouse, brown leghorn hat with veil, and brown accessories, and a corsage of roses and lily of the valley.

Among the many beautiful gifts were a walnut table and reading lamp from the members of the Garden City United Church, a silver rose bowl from the choir, a hand-painted framed picture from the W.A., and an electric sandwich toaster from the members of the Wilgar Choral Club and Onwego Y.P.S. of Wilkeson Road United Church. A mantle chime clock from the associates of the groom on the staff of Mouat Bros. Ltd., of Ganges, a handsome club bag from members of the 20th Century Liberal Club, an ornamental vase set from the adult Bible class of Ganges United Church, and a fountain pen from the Junior Trail Ranger Group.

JUNE 20, 1914—

A pretty wedding took place at St. Mark's Church at 2:30 p.m. today when Miss M. Oswald was married to Mr. R. "Togie" Layard. Mr. C. Extracts from the "S.S.I. Parish & Home"

JANUARY, 1896—

A short private telegraph line is now in operation on Salt Spring between the residence of Mr. Broadwell, postmaster, and the Rev. E. F. Wilson, the proprietors being Mr. Joel Broadwell, jr., and Mr. Llewellyn Wilson. It is hoped that some day the line may be extended to more distant parts of the island and eventually, perhaps, be made to connect with Vancouver Island.

JANUARY, 1896—

A public meeting was held in the old Vesuvius School House to consider: (1) The disadvantage to the farmer of the present game laws. (2) A proposal to erect a public hall. Mr. J. P. Booth, M.P., was elected chairman, and Mr. E. Harrison, secretary. The following resolutions were moved and adopted: (1) Moved by Mr. A. Walter, J.P., seconded by Rev. E. F. Wilson, that settlers should be allowed to kill deer for their own use the year round. (3) Moved by Mr. E. Harrison, and seconded by Mr. Dogan, that settlers be allowed to kill pheasants the year round in their own enclosures. These resolutions were carried unanimously.

## N.S. TENNIS PLAYERS LOSE FIRST GAME

Three wins, a draw, and one loss is the result to date of a series of friendly games at home and away, which the local club has scheduled with Victoria and district tennis clubs.

On Sunday, June 21st, the North Saanich eight journeyed to town to return the B.C. Electric game. The result was a draw. Saturday, July 4th, the locals engaged the C.P.R. club on the home courts with less encouraging results. Three sets were extended to five all, but each time the C.P.R. players managed to edge out the home team in the deciding game, thus winning the match by 11 sets to 5.
